

ANSI Standards Action Web Forms

The following forms are for use by ANSI-Accredited Standards Developers (ASD). PINS, BSR8|108 & BSR11 Forms are for notification of standards development and coordination in compliance with the [ANSI Essential Requirements: Due process requirements for American National Standards](#).

PINS (Project Initiation Notification System)

This form is required for proposed new and revised American National Standards (ANS) and national adoptions of ISO, IEC and ISO/IEC standards as ANS; it is optional for a reaffirmation or withdrawal of an ANS. It is not required for ANS under Continuous Maintenance. It is used to request an announcement in ANSI Standards Action of a project initiation notification and is intended to complement other such announcements made by ANSI-Accredited Standards Developers (ASD) to advise the public and materially affected interests of standards development activity and the opportunity for participation.

BSR-8/108 (Public Review Request)

This form is used to request a public review announcement in ANSI Standards Action in order to provide an opportunity for public comment on a draft American National Standard (ANS).

BSR-11 (Extension Request)

This form is used to request an extension in relation to: an overage standard; a BSR-9 submittal after public review; or the publication of an American National Standard (ANS).

PSA-01 (Registration of a Technical Report with ANSI)

This form is used to announce the Registration of a Technical Report with ANSI in ANSI Standards Action in compliance with the [Procedures for the Registration of Technical Reports with ANSI](#). Such a Technical Report shall be entirely informative in nature and shall not contain information implying that it is a standard.

Please direct any questions concerning the use of these forms to the Procedures and Standards Administration Department at psa@ansi.org.
